## **DECLARATION**

**BEING AWARE** of the punitive measures imposed by Italian law concerning false declarations or the use of false data,

**I DECLARE:**

- That the wine has the characteristics detailed above.
- That the samples for each entry are all sourced from the same lot.
- That the samples for each entry have been taken by the declared company representative (6 bottles for each entry) on behalf of Asperia, organizer of the Fourth International Barbera Competition.
- That I have read the Regulations of the **FOURTH INTERNATIONAL BARBERA COMPETITION** and accept them in their entirety.

If an inspection is required to confirm the validity of the statements declared above, the producing company will grant personnel acting on behalf of Asperia access to the winery building for control procedures.

If there is any discrepancy between information declared above and information later verified during control procedures, the winery may face legal consequences and will be excluded from the Competition.
